### Editorial Reviews

#### Product Description

*Decide Better! For College* is the latest addition of the world-leading *Decide Better!* self-help series created to dramatically improve your life through better decisions. This book is the perfect decision-making resource for students and parents designed to take the risk out of choosing a college and make the overall college experience the absolute best. Yearly, students leave home for college and are thrust into making countless decisions compounded with academic stresses and social pressures. *Decide Better! For College* helps students with all aspects of their college careers - from deciding which college to attend, which major to study, how to manage their financial situation, and how to plan for their post-graduation lives. It includes the full range of decisions that students will face while in college, such as academic decisions, social decisions, relationship decisions, financial decisions, and planning decisions. These lessons are presented in short, insightful chapters that are motivational and fun to read, and include examples and decision worksheets to help apply decision techniques. No college student or parent should be without it!
