**Good decision making skills are a skill that can affect everything about one's life. "Decide Better! For a Better Life" is a guide for making one make better decisions about everything in life as a whole. Success or failure at anything in life is about making good, educated decisions every day, from what one eats, to what jobs to take, to how to spend one's free time. "Decide Better!" is an enthusiastically recommended guide for readers who take the wrong road all too often.**
